

Nilaqua's® range of 'Towel Off' personal care products allow you to wash safely and effectively without using any additional water or rinsing. Ideal when traditional washing isn't possible. Nilaqua saves a huge amount of time, especially without the usual hassle of trying to use bowls of water to rinse. The Nilaqua® range of rinse free personal care solutions leaves your body clean and fresh from head-to-toe.

# SIMPLE, FAST EFFECTIVE

These amazing products are water based and leave no sticky residues. Simply apply the liquid directly and generously to your body (until wet), massage to release dirt and grease; then simply remove by thoroughly towel drying!

# THE PERFECT ALTERNATIVE TO TRADITIONAL BATHING

## Care Industry

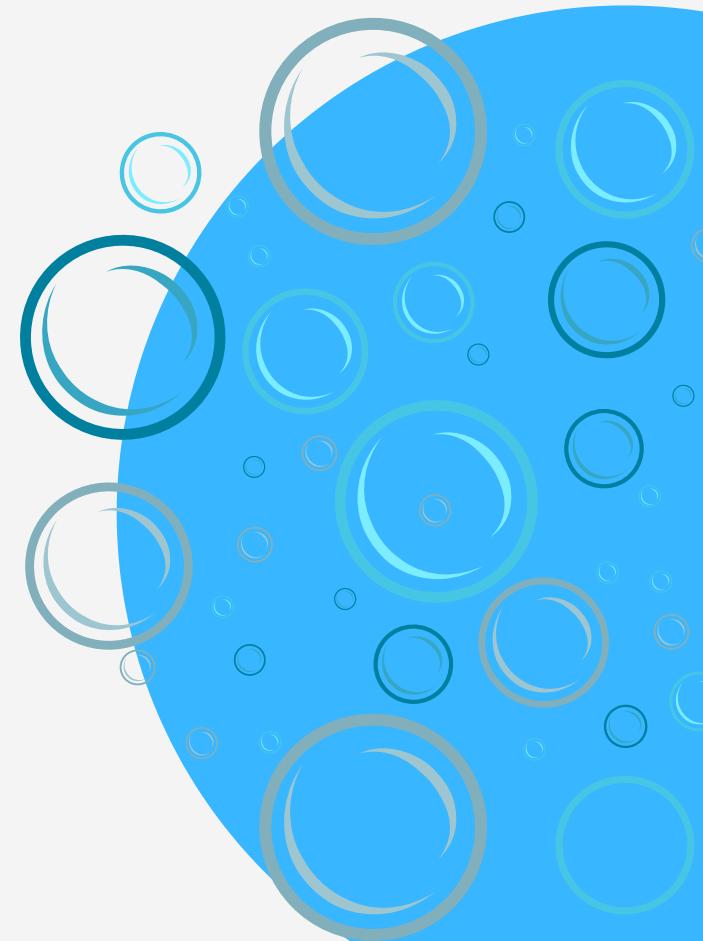

Nilaqua is used in many hospitals, care homes and for those who find it difficult to bathe, especially convalescing, Alzheimers, Parkinson's, MS, palliative care, elderly and disabled.

Nilaqua's® "Towel Off" products are recommended by many organisations and award winning. They provide a fast and simple way for bedbound or limited mobility patients to retain their dignity and reduce many of the stresses and struggles associated with patient care and personal hygiene.

Nilaqua® is also used for many other reasons: to freshen up between washes or with incontinence to clean heavily soiled areas.

## Business Benefits

Nilaqua cuts bathing time in half, improving patient hygiene, reducing energy costs and manual handling issues / patient distress. Plus reduces the chances of cross contamination and frees staff to complete other tasks; especially in care roles with an allocated time frame.

# ENVIRONMENTALLY CLEAN

Nilaqua is also an eco friendly solution to washing, saving thousands of litres of water, reducing energy bills & reducing waste such as wipes.

- Nilaqua is not harmful to humans, plants or animals
- Contains 95% deionised water, no oils or gels
- pH Level of 6.5-7.3 and kind to all skin types
- Less water is required compared to traditional washing
- Less electricity used as no dryers are required
- Endorsed by the Nature Watch Foundation
- Made from 25% recycled plastic on many items and has full recycling schemes
- 100% renewable energy to power Nilaqua manufacturing plant
- Manufactured in the UK & vegan friendly

Based on Nilaqua's® 500ml bottles:

1 Shampoo at average 50ml per wash : **10 baths saved 800 LITRES**

1 Body Wash at an average of 33ml per wash: **15 baths saved, 1200 LITRES**

Plus....

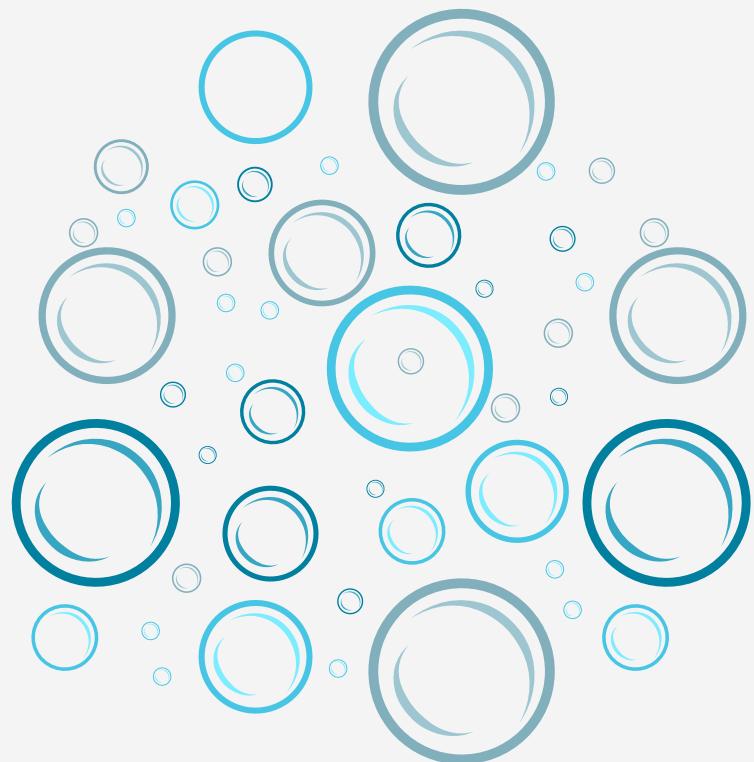

- UK Made, quality assured and used daily in the NHS
- No aerosols, paraffin or alcohol
- Suitable for children and adults
- Vegan friendly and endorsed cruelty free
- Saves thousands of wet wipes & plastic film being binned
- Uses specialist TowelOff® technology with non drip function for ease of use.

# TOWEL OFF HAIR CARE

**Shampoo** - The amazing way to get fresh clean hair without using water! It wets your hair like a traditional shampoo and cleans without leaving any streaks or sticky residues. It's mild non-irritating formula leaves hair beautifully soft and clean. Nilaqua is specially developed to be a gentle formula and pH balanced, with a pleasant apple fragrance.

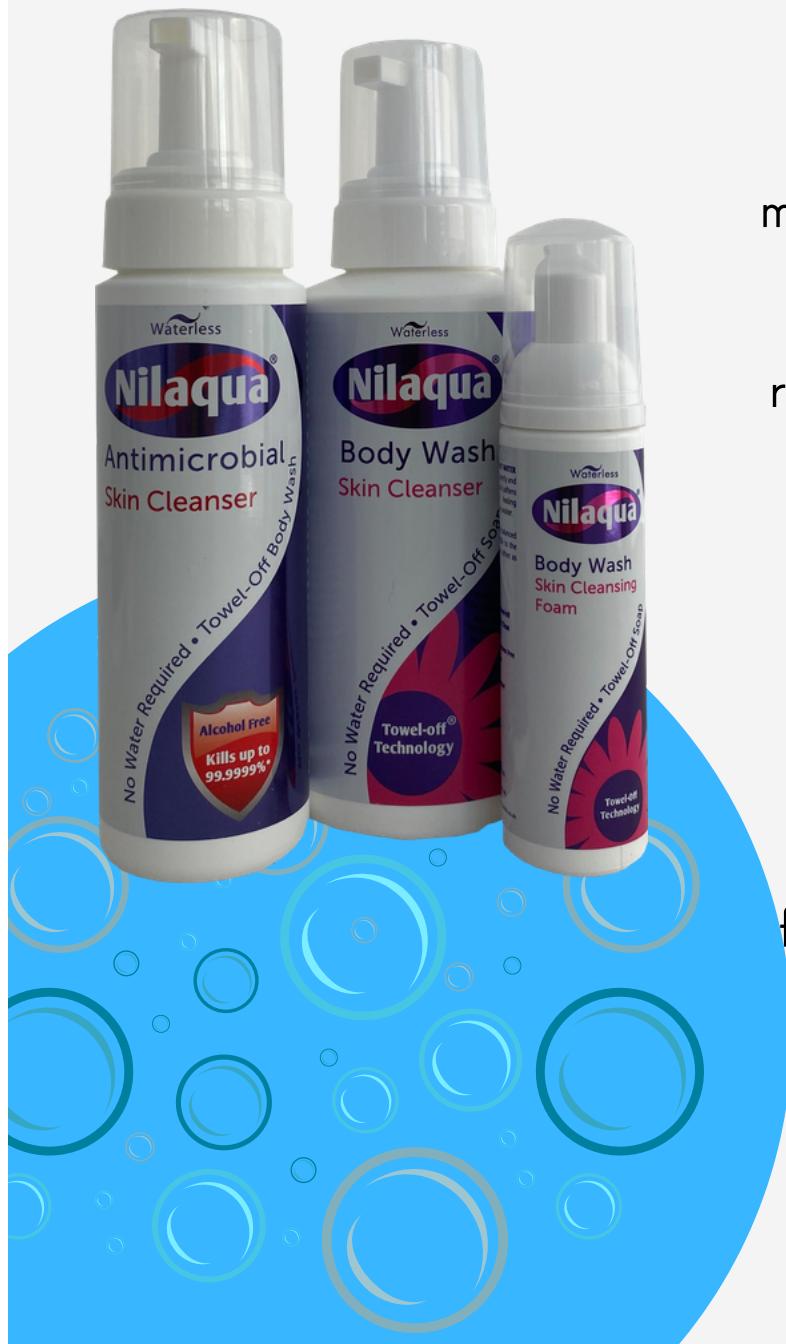

Available in 65ml, 200ml & 500ml. Order Code: NNRS  
(65 or 200 or 500)

**Shampoo Cap** - Allows you to wash your hair without using water! Just apply the cap to the scalp, massage until hair is saturated and towel dry. Style as normal. Caps can be microwaved and are single use only.

Available in Single Units Order Code: RFSC1

# TOWEL OFF BODY CARE

**Dual Skin Cleanser** - A gentle cleanser providing essential daily care with dignity. Can be used with warm water for heavy soiling or without water in it's towel off form (apply, massage and towel off), effectively cleaning the dirt, grease, odours and soiling after incontinence. Nilaqua leaves skin fresh, soft and odour free. Unlike pressurised containers requiring emollients. Nilaqua is pH balanced to be mild and non-irritating to the skin.

Available in 70ml, 200ml & 500ml  
Order Code NFBW (70, 200 or 500)

**Skin Cleanser Antimicrobial**, specially formulated to decolonise the skin, especially against resistant bacteria, fungi, spores and viruses. Yet remains kind and gentle for frequent use. No alcohol, bleach or parabens. Ideal for pre and post op cleansing and for those with low immunity.

Active Ingredient: Benzalkonium Chloride  
Available in 65ml & 200ml  
Order Code: NFBWA (70, 200 or 500)

# TESTIMONIALS

"This antimicrobial cleanser is excellent. It is effective and gentle to use daily. It dispenses as foam and so do not drip. It leaves my skin feeling fresh and clean without a chemical or medicated smell."

**Jacqueline, K.**

"Towel off wash foam really helped me in the last week since my surgery because I couldn't get my arm wet at all, I would like to say thank you very much for this product!"

**D O'Rourke**

"My son is autistic and sometimes hair washing is a challenge, this is great for those times when he hasn't quite managed it, freshens up the hair lovely"

**S.Keel, Reading.**

Nilaqua Shampoo is gentler to the scalp than other products used. I will be recommending to patients and families

**R.Kean DM Hospice**

**Waterless Limited**

**Social Care  
Awards 2021**

**Best Waterless Product Provider - UK**
